

Privacy declaration

Van Lente Systeemintegratie B.V. respects the privacy of its online visitors at all times.

Personal data

Van Lente Systeemintegratie can be concise about this: we don't store personal data via our website. The contact form works just like regular email, and your details will not be stored in the website's database.

By completing and sending a form or an email, the visitor gives permission for this personal data to be stored and used for the provision of the requested information and services, and for statistical purposes.

Personal data provided to Van Lente Systeemintegratie by website visitors is processed in accordance with the Personal Data Protection Act (WBP) and the General Data Protection Regulation. We will never divulge data to third parties outside of Van Lente Systeemintegratie B.V., unless express permission has been given.

Automatically collected non-personal identification information

In some cases, Van Lente Systeemintegratie B.V. will collect data of a non-personal nature, such as which browser version or operating system a visitor is using, or which IP addresses have been allocated by providers, etc. This data helps us to better adapt the site to the wishes and preferences of our visitors. We also use Google Analytics to collect anonymised visitor data, which we use to gain insight into the number of visitors to our website.

Amendments

We reserve the right to make changes to this privacy statement at any time without notification. By continuing to use this website, you are automatically bound by the terms of the amended privacy declaration.
